IMPORTANT INFORMATION

TO: All Dealerships
FROM: Division of Motor Vehicles
DATE: June 24, 2021
SUBJECT: Revoke Temporary Changes for Waits/Overnights

During the current health crisis, the Delaware Division of Motor Vehicles (Division) temporarily accepted waits and overnight folders (emergencies) for both Delaware and out-of-state dealerships with a bill of sale date within 30 days. All dealers were able to either submit up to two deals as a wait or drop two deals as an overnight each day.

Effective July 13, 2021 the temporary change will be revoked, and all waits and overnight drops must have a sale date of at least 30 days prior. Please remember, dealer folders can be dropped at any time prior to 30 days.

As always, please utilize the Dealer Portal <https://dealers.dmv.de.gov/> for daily updates and assist with fee calculations. This will eliminate unnecessary rejections due to incorrect fees or insufficient funds with a pre-printed check.

We greatly appreciate your patience and cooperation during these unprecedented times.
